## Announcements On The Eucharistic Revival

### **EUCCHARISTIC REVIVAL:**

**Cause:** A survey in the last few years found that only 31% of Catholics believe the Church's teaching on the Real Presence in the Eucharist.

**Mission:** To renew the Church by enkindling a living relationship with the Lord Jesus Christ in the Holy Eucharist.

**Vision:** To inspire a movement of Catholics across the United States who are healed, converted, formed, and unified by an encounter with Jesus in the Eucharist—and who are then sent out on mission “for the life of the world.”

### **EUCCHARISTIC REVIVAL:**

To sign up for weekly updates on the Eucharistic Revival, go to <https://www.eucharisticrevival.org/> or use your smart phone camera and this QR Code:

## **JESUS IS CALLING US DEEPER**

### **HE PROMISES TO RESTORE AND RENEW HIS PEOPLE**

Our world is hurting. We all need healing, yet many of us are separated from the very source of our strength. Jesus Christ invites us to return to the source and summit of our faith in the celebration of the Eucharist. The National Eucharistic Revival is a movement to restore understanding and devotion to this great mystery here in the United States by helping us renew our worship of Jesus Christ in the Eucharist.

## Small Groups Initiative

While there is much to come, a key initiative within this Eucharistic Revival will be small study groups. Small groups are a powerful way to see the fruit of the Revival in our parish! This 7-session study has been created specifically for the Year of Parish Revival and is provided to parishes free of charge.

Each video session is full of rich theological content, powerful talks, and unique and timely messages from bishops across the country.

This study will be a special time to grow in community within our parish as we walk this sacred year together, and we really desire you to join us!

## Why Make a Pilgrimage?

### **To Make a Journey to Jesus**

A pilgrimage is “the simultaneous movement of the feet and the soul”—a journey made both externally and internally.

The pilgrim travels to a location of spiritual significance, stepping outside of themselves in order to encounter God in places where he has revealed himself.

This action mirrors the interior journey of the pilgrim, who uses this experience to draw closer to Our Lord and seek him more intentionally.

The value of a pilgrimage is not in the distance traveled but in the disposition of our own hearts and the zeal with which we seek God. Many saints have had life-changing experiences while on pilgrimage, and the practice has been a part of Christianity from the beginning.

## Jesus and the Eucharist Study

Dear Parishioners,

As we continue this year of Eucharistic Revival, we would like to invite you to our parish's Jesus and the Eucharist Study. This study was specifically designed for the Year of Parish Revival of the National Eucharistic Revival under the pillar of Robust Formation, and it provides a great opportunity to dive more deeply into the richness of our Eucharistic faith.

Each session is full of rich theological content, powerful testimonies, and unique and timely messages from individual bishops across the country. This study will be a special time to grow in community within our parish as we walk this sacred year together, and we really desire you to join us.

Our first session will be held Sunday, October 8 @ 6:30 p.m. in the Parish Hall. Hospitality will be provided, and we hope to see you there!

*Reflections on the Readings from the 25<sup>th</sup> Sunday in Ordinary Time — Sunday 24, 2023***ENVY AND GOD'S GENEROSITY**

*“My thoughts are not your thoughts nor are your ways my ways, says the Lord.”* Perhaps no story in the New Testament proves the truth of that statement more than today's Gospel. In the parable of the workers in the vineyard, we are confronted with what we might consider an unfair situation. The owner of the vineyard goes out and hires workers, starting in the early morning and ending close to sundown. But no matter what time of day the workers are hired, all get the same daily wage, even if they only worked for one hour.

Most of us probably will think how very unfair it was that some had to labor all day and others got to waltz in at the last minute, but everyone got the same reward. In fact, the characters in the parable felt the same way and most likely so did Jesus' audience.

But that's what makes the parable so powerful. It's only after we work through our thoughts and feelings about what is right and what is wrong that we can begin to see beyond the apparent unfairness to the character of the owner, who is a symbol of God, and realize that Jesus is telling us that no one is left out of God's love. Once we are able to move on from the “injustice,” we are then able to give thanks to God for what he has given us and realize any feelings of envy or *comparison to others reflects not on God's generosity but on our own poverty of spirit.*

**PRAYER**

Put yourself in the parable. It's the end of the workday. The owner calls all of the workers together and hands out the day's pay. You notice that everyone gets exactly the same—those who have worked all day and those who arrived just a few minutes ago. How does that make you feel about the owner? How does that make you feel about your fellow workers? Are you tempted to say something? Does this make you want to work for this owner in the future? Why or why not?

**RESOLUTION**

This week, end each day recalling all the gifts that God has given you and thank him for his presence and generosity in your life. Then spend some time in prayer for those who are in need and ask God to pour his generosity upon them. [formed.org](https://www.formed.org)
