

# Religious Education Change Policy

Effective immediately St. Monica Religious Education Classes will comply with the single-point entry and exit.

This is to comply with the Diocese and State safety and security guidance to maintain a safe and secure environment for our students and teachers.

This is the door that your children will enter to and exit from. There will be a teacher at the door to welcome the children.

This door is located on the back side of the building (back parking lot). Once class begins all doors will be locked.
